UNITED STATES COAST GUARD

ADDRESS REPLY TO

Commanding Officer
CG Radio Station, Boston
Marshfield, Mass.

4 October 1961

Mr. Kermit Geary
RD 2, Box 298
Walnutport, Pa.

Dear Sir

Reference your letter dated September 22, 1961.

Your favorable report, on the signal of our station, is received with gratitude. I have checked our logs, and they confirm your reception of our signals at the times indicated in your letter.

Coast Guard Radio Boston, call sign NMF, is actually located in Marshfield, Mass., about 30 miles south of Boston. Power output on 2694 kcs is about 2000 watts from a pair of 4-1000a's, modulated by a pair of the same.

Sincerely

W. F. Kortlang, CHRELE, W-2
Commanding Officer
